WHAT TO EXPECT:

Things to know:

Please submit an inquiry either through our form online or, via email at lafleurfloraldesigns@gmail.com with budget, inspiration photos, location of event, date of event, name of photographer, name of planner, dress photos and any other wedding details on our website as well as who we can thank for sending you!

We take a limited number of events per season. We absolutely are obsessed with flowers and, our clients should be too! We love to use our creativity to create the most beautiful day possible for you. We will review your inquiry, budget and inspiration photos to ensure that we are a good fit for each other.

Flowers are an organic product and **Mother Nature is in charge**. We will do everything in our power to ensure that your vision comes to life in the way that you want but, please know that drought, natural disasters and unforeseen circumstances can cause certain flowers to be unavailable. This is out of our control but, we promise to bring your unique vision to life as closely as possible, regardless of specific bloom availability.

A non-refundable deposit of \$500 will be required within 5 days from receiving a quote to secure the date and will be deducted from the final balance. Once the design is in place, initial proposal is signed and the deposit is paid, we will be in touch.
